

Miss Meredith McGlamory from Abbeville, Georgia. Meredith is the 21 year old daughter of Chuck and Celia McGlamory. She is currently attending Abraham Baldwin Agricultural College, pursuing a degree in Ag Communications, with a minor in Animal Science. Meredith is on the President's List and has received distinguished honors from ABAC. She has interned with Sunbelt Ag Expo and worked with Bayer CropScience in Field Development and Research. Meredith was chosen to represent ABAC in their study abroad program in Belize. She loves to stay active and is always up for travel adventures but says nothing compares to being at home on the farm. After Meredith graduates, she plans to continue her education in hopes of attending vet school. Her dream is to become a large animal veterinarian and to open her own practice.
